Further Your Education with Habitat and ed2go

A quick reminder that professional development and continuing education courses are available online now through our partnership with ed2go. A variety of classes are offered on the online platform, ranging from Speed Spanish to accounting fundamentals, and much more! Reach out to Laurie at laurie@habitatls.org for more info.

Speak to your supervisor about courses geared towards professional development, as the cost of these may be covered by Habitat. All other courses are available to staff members at cost.

Meet Melanie!

We're excited to welcome our fourth French intern, Melanie, who arrived from France on June 27th! She will be helping out with P&R projects, new construction, and all kinds of maintenance tasks! She will be with us through to the end of August, so be sure to say 'bonjour' if you see her out in the field.

We're Back from Guatemala!

From June 15–21, a few team members from our affiliate traveled to Chimaltenango, Guatemala, where they partnered with local families to help build safe, lasting homes – and unforgettable connections.

Interested in joining our next Global Village Trip? Reach out to Danielle at danielle@habitatls.org for more information on the program.

Construction Camp Success!

From June 10-12 30 kids (ages 11–14) dove into hands-on learning at our Construction Summer Camp at Leesburg High School!

We're proud to have partnered with amazing local companies to give students a chance to explore the trades, build new skills, and discover future career paths once again.

Josh and Veronica: Homeowner Update

Just a quick update on our two homeowners, Josh and Veronica! Josh is officially moved in and settled into his new home – congratulations, Josh!

Veronica has not closed yet but she recently hosted a Friends and Family Day filled with painting, laughter, and love.
