Group Leader's Signature

Date

Once your date is approved by the Volunteer Coordinator, each member of the group will need to register and sign up. The Volunteer Coordinator will provide you with waivers for each group member to complete. Please bring these waivers to the worksite. You will then sign-in our attendance sheet provided by the site host.

Habitat for Humanity will provide a skilled supervisor who will be prepared for your arrival with a clear plan and goal for the day, sufficient materials and a safe workplace.

Thank you for your commitment to Habitat for Humanity Lake-Sumter!
