• **A Solid Year End from Danielle:**

As we start our new fiscal year, I wanted to say congrats on the amazing work over this past year! Each one of you displayed leadership and teamwork in support of our mission. A few key highlights from this past year:

- ReStore sales staff set a record-breaking year and exceeded not only budget, but their stretch goal of \$1 million in sales! The behind the scenes work of dispatch “The Beauty” and fleet “The Muscle” continued to drive donations to our stores, making that goal attainable.
- Fund Development also had a record-breaking year bringing in over \$1.6 million in philanthropic contributions!
- Program and construction staff members served over 62 families, creating access to safe and affordable housing solutions.

I am hopeful that each one of you feel connected to the impact you have made. As we shift our focus to the future, stretching our goals and charging towards increasing our capacity to serve, I am grateful to have such an amazing staff – now let’s go kick some ass!

Happy Habi-versary
