Friday, April 21st, Time & Location: TBD

Happy Habi-Versary

Wayne - 12 years

Barry - 5 years

Kevin - 3 years

David - 2 years

In Loving Memory of Pastor Feliciano Felix Ramirez March 23, 1949 - February 11, 2023

"Faithful. Compassionate. Devoted to God and family. Community leader.

Whether his role was husband, father, pastor, teacher, counselor, mayor, volunteer, or Habitat Board member his heart was always ready (and seeking) to serve his community--a community that extended well beyond his family and his church to include people from every walk of life in Lake County.

He personified Henry David Thoreau's words, "It's not what you look at that matters, it's what you see." Felix saw the heart of the person and the potential within and would encourage that person to persevere until they realized that potential for themselves. Felix's legacy of faith and service lives on in his family and on the Board of Habitat Lake-Sumter. We are grateful for all that he has done for our community, including the many Habitat homeowners who have been blessed by his service."

-Lee Owen, Habitat Lake-Sumter Board Chair

Felix was an amazing person who will be dearly missed, he was an advocate for so many people in the community and passionate about Habitat for Humanity Lake-Sumter and the families we represent.

Felix was employed with Lake County School Board for 35 years as an Educator, Specialist, and Administrator, and was a Licensed Christian Marriage & Family Therapist. One of his greatest passions was as founding Pastor of La Primera Iglesia Bautista de Mascotte, he has pastored there since 1983.

Felix has been married for 53 years to his teenage sweetheart, Maria. They have 3 children and 8 grandchildren. Felix leaves a legacy of faith, love, and compassion. He was committed to serving and encouraging others throughout our area and his passing leaves a hole in our community and our hearts.

BE our VOICE! Share our website...it is a wealth of information and folks can sign up for our monthly e-newsletter to stay informed on all the Habitat Happenings.
