Staff Volunteer Opportunities

Don't forget! All staff have an available 8 hours each year to volunteer for an organization during work hours (with supervisor approval). Here's an available volunteer opportunity:

East Lake County Chamber Pumpkin Patch 2025

The East Lake County Chamber is hosting a pumpkin patch throughout October, and we can earn funds for each shift we work! It's fun to work with a partner, so if you can bring someone along, that's even better. Shifts are available in the morning, evening, or both, and the Patch is open every day in October. *If you are interested in volunteering, please email Laurie at Laurie@habitatLS.org to sign up or ask questions.*
